

My Commitment to My Church

In my opinion a Sunday Church service should include:

Knowing that a Church is not able to exist without a commitment of service from its congregation, after prayerful consideration, I pledge to do the following for the next 3 months:

_____ hours of service per month. This would include such activities as: (circle tasks you are willing to do) Usher/Greeter, Prayer & Meditation Leader, Setup and Takedown on Sundays, Hospitality, Special Events Team, Music, Sound, Leading a Sunday Lesson, Worship Assistant, Office Assistant during the week (making copies, folding bulletins, etc).

Your ideas of ways you can contribute your time and talent to serve:
